### Fall Fashion Tip: Take Velvet From Vintage to Versatile

Rich velvet is a timeless staple that is experiencing a fashion rebirth! From now through winter, consider adding a velvet piece to your wardrobe. Pair a velvet skirt with a high-waisted belt and soft-textured blouse. Or give a relaxed look to a velvet blazer by pairing it with denim. For a more formal look, a velvet dress is an instant classic. Don't be tempted to give away your velvet pieces—there are more ways to wear them than you might think!
