Dear Community Partner:

This year has turned out to be one which was faced with much uncertainty. While many businesses were still required to keep their doors shut, we continued serving local women in need, most of them frontline workers. With the uncertainty around our annual fundraisers and watching foundation funding being directed elsewhere, we are looking to start the new fiscal year strong with annual partnerships.

We are asking our supporters and like-minded community partners like you, to be our partner in equipping women who are underserved and have few resources. This exclusive opportunity goes beyond sponsoring a one-time in-person event by reaching over 2,300 supporters by email, engages with over 2,600 individuals through social media and over 6,000 website visitors a month. Would you consider showing your support for local women in need by being an annual sponsor of our programs? Every dollar raised helps us continue to equip women to find employment and reach financial stability. For 22 years we have been working to provide the opportunity for women in need to achieve and maintain stable employment, and with your support, you will help this become a reality.

If you have any questions about sponsorships and your potential giving impact, please don't hesitate to contact me at 610-644-6323 or email me at jill@wingsforsuccess.org.

Together we can transform lives and impact our communities!

Gratefully,
